

Counseling and Trauma Services LLC
Pauline Amaismeier MS, LPC, NCC, RN-BC, DCC

I am a dedicated Disaster Trauma Specialist and have volunteered for the American Red Cross for numerous local and national disasters.

On occasion I may be called out to work at a local or national disaster, most likely for only a two to three week period at a time. This may be with the American Red Cross, the National Disaster Medical Assistance Team, or other disaster aid groups.

I have made arrangements with two mental health counselors to provide emergency services to my clients if necessary. They are:

Linda Houston LPC, NCC
Phone number: 724-579-3771

Sherry Brozinski LCSW
Phone number 724-570-3771

Jozi Compliment LPC, NCC, ATC
Phone number 724-579-3771

Clients will be notified as soon as possible if I am going out on a national disaster. At that time your counseling sessions will be cancelled and rescheduled. If anything urgent occurs, please feel free to call one of these therapists. Your counseling sessions will be resumed upon my return from the disaster assignment.
